Welcome to my home. Let me show you around. Here is the living room, and we have a lovely balcony. Next to the living room is the kitchen. We usually cook and enjoy food together in the dining room. This is my brother's bedroom, and my bedroom is next to the living room. The floor in my bedroom is purple because it's my favorite color. I love my home.

Hi, everyone. I'm Alex, a member of Green Lifestyle Club. Do you know that we can make a huge impact on our environment by bringing your own cup when getting coffee or tea drinks to go? Single-use cups harm our planet, and bringing your own cup is an easy way to reduce waste. Please remember to use your own containers when taking food from restaurants too. Let's be eco-friendly and take a small step toward a better and healthier future. Together we can create a world that lasts for everyone.
